

Master your Mental Game

Offer your guests an **Edu-taining** experience that gives them a mental edge on the course - while adding lasting value to your event, resort, or golf facility.

Dave Archer provides a fun and interactive workshop that helps golfers master the driver **in their minds** - not the one in their hands.

Your golfers will:

- Discover their unique mental skills as outlined in their comprehensive Mental Skills Assessment Report.
- Learn that a tranquil mind is the first requisite for good judgment.
- Develop a fool-proof Pre-Shot Ritual, and winning Game Planning Skills.
- Improve self confidence while extinguishing arrogance and fear and so much more.
- In short, play your best God damned Golf, ever!

Interested in bringing this to your golfers?

Dave is happy to present a no-pressure preview of the workshop before rolling it out to your guests.

Add lasting value to your golf experience - your guests will thank you for it!
